Description

Each glass for the Mawa Pisa pendant lamp is individually and painstakingly made by hand. Any small bubbles or slight variations in size and glass thickness are a sign of quality craftsmanship. This light is available with a suspension in black or white. The glass of the pendant lamp is available in clear glossy, opal white matt or smoked glass. The ceiling canopy and cable are each in the matching colour to the suspension. The pendant lamp is supplied as standard with a black, 250 cm long cable. It is also available with other cable lengths or colours on request.
