Description

The Foscarini Folio Grande Parete white is a stylish wall lamp providing for a fine evenly and diffuse light distribution. The glass of the Folio Grande Parete white is in white. There is a version with screen-printed glass and a small version of the Foscarini Folio Grande Parete named Folio Piccola Parete. The glass of the folio wall lamp has a wonderful slightly curved shape. It looks like a piece of paper that is bent in itself. The socket with the bulb is surrounded by a small closed housing so you can not look into the light sourceand hence can not be blinded. Therefore the Folio is well suited as lighting in narrow hallways or stairways.
