

Byok

Nastrino Table Clamp

Oberfläche

- matt aluminum
- matt black

Technical details

Country of Manufacture	 Germany
Manufacturer	Byok
Designer	Kai Byok
Protection class / IP rating	IP20
Contents of the package	LED
Projection in cm	60
material	aluminum
cable length	300 cm
dimming	gesture control
LED	replaced by professional
Colour Rendering Index	90
Color temperature in Kelvin	2,700 extra warm white
system performance	2 x 3.6 Watt
Total luminous flux in lm	610
light distribution	directly
Dimensions	H 55 cm

Description

The Byok Nastrino with Table Clamp is a table lamp, mainly characterised by its functionality. High-quality LED technics combined with two dazzle-free light zones, create the ideal working light. This is underlined by the well-thought-out joint technics used with the Nastrino Table Clamp.

The design is very convincing as well, because this lamp consists of simple ground aluminium profiles. The Byok Nastrino Table Clamp is available either in aluminum matt and black matt surfaces. Byok offers this lamp with a table stand, an USM-adapter and a wall fix as well. This lamp is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
