## **Description**

The Oluce Lyndon 160 is a wall lamp for outdoor use. The designer Vico Magistretti had the vision of a peaceful evening stroll at dusk in a beautiful park, when he designed the Lyndon series in 1977. For Lyndon 160 the structure of galvanized metal is painted black. The spherical diffuser of Lyndon 160 is made of transparent polycarbonate. The Oluce Lyndon 160 is the larger of two wall lamps of the series.
