surface	white
dimming	dimmable on site
socket/light fixture	G9
Wattage	5.4 W
system performance	2 x 5 Watt (max.)
Dimensions	H 24 cm B 32 cm

Description

The Vibia Puck 5425 is a halogen wall lamp. Through the fusion of two round shapes the Vibia Puck 5425 acts very harmoniously. The light of the Puck 5425 penetrates gently outwards and don't dazzle the eye.

The Vibia Puck 5425 wall lamp has a height of 24.2 cm, a width of 31.8 cm and a depth of 8 cm. This light is extremely versatile. It is also conceivable that it can be combined with other lamps in the Puck series. Even if it looks as if it were two lamps, it is nonetheless only one and it is also needed only a wall connection.
