## Halo Circular 2332

### Technical details

<b>Country of Manufacture</b>	 Spain
<b>Manufacturer</b>	Vibia
<b>Designer</b>	Martín Azúa
<b>Protection class / IP rating</b>	IP20
<b>Contents of the package</b>	LED
<b>material</b>	polymethylmethacrylate, steel
<b>surface</b>	white
<b>Height adjustment</b>	height determinable
<b>dimming</b>	1-10V dimmable
<b>LED</b>	inclusive
<b>Colour Rendering Index</b>	>80
<b>Color temperature in Kelvin</b>	3,000 warm white
<b>canopy dimensions</b>	35 cm
<b>system performance</b>	3 x 23 Watt
<b>Total luminous flux in lm</b>	5,180
<b>total height</b>	350 cm
<b>Dimensions</b>	B 80 cm   L 127 cm

### Description

The Vibia 2332 is a three-lighted pendant lamp with modern LED technology. It was created by the designer Martín Azúa, who designed the lamp with three circular elements made of matt white PMMA. Each one of these three elements can be set in height separately and can be suspended up to a maximum of 350 cm. The lamp is free to hang horizontally or diagonally. Three efficient LEDs are included. The lamps are electronically dimmable from 1-10V. On request there are also offered a DALI as well as a dimmable version with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
