### **Description**

The Vibia Palo Alto 4510 is a bollard light for outdoor use. With a height of 90 cm, this is the smallest lamp in this collection. The light is on offer in brown or green. As two lamps efficient LEDs are included. With protection class IP65, the Palo Alto 4510 is well protected against splashing water and dust. This lamp is anchored to the floor on a solid ground with screws and dowels (not included in the scope of delivery).
