Description

The Vibia Suite 6032 can be used as a floor lamp, wall lamp, table lamp or functional furniture and is available in brown and white. It has a base and as a wall mount, three shelf boards, a USB charging port and six efficient LEDs.

On the top shelf a dimmable reading light is installed separately. This reading light with its tilting and swiveling lamp shade has another LED. The reading light is kept in the color mink matt Pantone 407c matte. At the bottom of the shelf below the USB port are the switches for switching the lamp on and off and for dimming the reading light. Whether next to the bed, as unusual bedside table, next to the couch or as a shelf in a corner - the functional Vibia Suite 6032 makes everywhere a good impression.
