Description

The Vibia Suite 6040 - 6041 are LED wall lights and at the same time simple wall boards. On the shelf board a glass diffuser is installed, which is reminiscent of an illuminated stone. In this glass diffuser with a LED is integrated. The design is from Jordi Vilardell and Meritxell Vidal. The shelf board of Vibia Suite 6040 - 6041 is available in brown and white. In the Suite 6040 the glass diffuser is attached to the left-side, in Suite 6041 the right-sided. Mounted right and left of the couch or the bed, a symmetric illumination can be created.
