Wattage	2.1 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	543
Color temperature in Kelvin	2,700 extra warm white
Dimensions	B 4 cm

Description

The Vibia Brisa 4625 - 4630 is a single-lamp light for outdoor use, with a spike (Brisa 4625) or as a recessed light (Brisa 4630) which is anchored into the ground. In the lamp with the ground rod it can be placed in another place again. The recessed lamp is installed into the ground. This Brisa outdoor lamp can be rotated and directed and is ideal for floor and street lighting.

The designers Lievore, Altherr and Molina are responsible for the development of this floor lamp. The two matt paint finishes khaki and brown are offered. As lamps efficient 2.1 watt LED is included. With IP65 the Brisa 4630 is protected as a recessed lamp well against splashing water and dust, while the Brisa 4625 equipped with ground spike thanks to IP64 is protected against water spray.
