Description

The Next Alien XL Pendant with 111 cm height, is the larger of two exceptional pendant lamps in this collection. Being organically shaped it elegantly adapts to a rope like an alien creature. It provides a pleasant atmosphere to every room by radiating its soft light. The cable can be delivered either in red or silver. The Alien XL pendant is height adjustable until 300 cm. The diffuser cap is supplied in red and white, so that it can be exchanged as required.
