

Catellani & Smith

Sorry Giotto 12

Technical details

Country of Manufacture	 Italy
Manufacturer	Catellani & Smith
Designer	Enzo Catellani
Year of design	2012
protection	IP20
Scope of delivery	LED
Diameter in cm	120
material	copper, Iron
surface	blue
cable color	blue
cable length	300 cm
height adjustment	height determinable
dimming	cord dimmer
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	2,100
Color temperature in Kelvin	2,700 extra warm white
bulb exchange	at the manufacturer / at the factory
system performance	15 x 1 Watt
Dimensions	Ø 120 cm

Description

The Catellani & Smith Sorry Giotto 12 has a light body with a diameter of 120 cm. The modern light has efficient LED technology. The lamp uses 15 modern 1 Watt LEDs with a colour temperature of 2700 Kelvin extra warm white. These LEDs are exchangeable. A dimmer is also included. Its annular light body made of hand painted copper is clamped by means of a tensioning cable and a base made of waxed iron between floor and ceiling. Thus, the Sorry Giotto 12 can be designated as a floor lamp as well as a pendant lamp.

The cable to which this pendant lamp is attached, has a maximum of 300 cm, but can be shortened easily if needed to hang the lamp deeper. The Sorry Giotto collection belongs to the family Eco Logic Light shine. In this large group modern, energy-saving LED lights are summarized which are regarded as particularly environmentally friendly and energy-saving.
