## Description

The Lumina Daphine Parete LED is an extremely flexible and practical wall lamp cause its tilting and swiveling metal arm and the 360 degree rotatable head. It also combines the latest LED technology in itself. In the simple wall mount, not only the converter, but an on / off switch is integrated, too.

The Daphine Parete LED is available in the following colors: black soft-touch, matt white, yellow, red, metallic bronze and metal in satin nickel. Additionally, two overall lengths are offered: 36cm and 51cm.

With a total length of 36cm, the lamp has a sidearm with a length of 20 cm. With a total length of 51 cm of the lamp, it has a sidarm length of 35 cm. On request you can order this lamp also with a colour temperature of 3.000 Kelvin instead of 2.700 Kelvin. If you like to order this article, please specify the colour temperature under the item Order Review in the field Order Comment.
