Curling Suspension Rope LED opal

Version

- Medium
- Small

Farbtemperatur in Kelvin

- 2,700 extra warm white
- 3,000 warm white

Technical details

Country of Manufacture	 Germany
Manufacturer	Serien Lighting
Designer	Jean-Marc da Costa und Manfred Wolf
Year of design	2015
protection	IP20
Scope of delivery	LED
material	aluminum, glass
height adjustment	height determinable
dimming	dimnable with a trailing edge dimmer and with a leading edge dimmer
LED	inclusive
Colour Rendering Index	>97
canopy dimensions	8 cm
bulb exchange	on site itself
total height	15 - 195 cm

Description

The Serien Lighting Curling Suspension Rope LED opal can be individually set in its total height between 15 cm and 195 cm during installation. It emits its light both downwards and softly diffused all around. This Curling pendant light is offered in two sizes. The Small lamp has a lamp shade with a diameter of 18 cm and the Medium lamp.

The Serien Lighting Curling Suspension Rope LED opal is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable lamps or versions with dim to warm function are also available on request. Here, the dimming behaviour of classic incandescent lamps, which is perceived as pleasant, is imitated during dimming.
