Description

The Foscarini Rituals Parete 3 is the smaller of two simple wall lights with just one shade. Apart from the larger Parete 1 also two double-wall lamps of the series with two shades are offered on request. This model has a 21 cm high shade with a diameter of 19 cm. Therefore, it has a quite shallow, small form. Overall, the light extends inclusive the wall bracket 24 cm from the wall.

The Rituals Parete 3 can be just like its larger sister mount with the shade upside or downside with the bracket to the wall. While the shade itself is made of white, satin blown glass, the holder is made of epoxy-coated and painted metal.

The bulb is a high-voltage halogen lamp with maximum power of 70 watts or a fluorescent lamp with a maximum of 15 watts of power.
