Piani Mono 195 Downlight

Oberfläche

- Aluminum polished
- matt aluminum
- matt black

Höheneinstellung

- height determinable
- height adjustable

Technical details

Country of Manufacture	 Germany
Manufacturer	Byok
Designer	Kai Byok
protection	IP20
Scope of delivery	LED
material	aluminum
cable length	300 cm
dimming	on site dimmable with a trailing edge dimmer
LED	inclusive
Colour Rendering Index	>90
Color temperature in Kelvin	2,700 extra warm white
bulb exchange	at the manufacturer / at the factory
system performance	12 x 3.6 Watt
Total luminous flux in lm	3,670
Dimensions	H 1 cm B 5 cm L 195 cm

Description

The Byok Piani Mono 195 is a pendant lamp for nearly every living area. It is part of the Piani collection designed by Byok. The unusual shape is only 1 cm thin.

The pendant lamp is on offer as height-determinable (with shortenable cables) or as height-adjustable (the height can be changed anytime). These surfaces are available: aluminum polished, aluminum matt or black matt. The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The dimming range is between 0 and 100 percent. In addition, the lamp is also available on request as a version that can be dimmed by smartphone/tablet via Bluetooth.
