<b>LED (replaceable)</b>	yes
<b>Color temperature in Kelvin</b>	2,700 extra warm white
<b>system performance</b>	16 x 3.6 Watt
<b>Total luminous flux in lm</b>	4,900
<b>light distribution</b>	directly
<b>Dimensions</b>	H 0,8 cm   Ø 98 cm

### Description

The Byok Piani Rondo 98 Downlight is the largest of several modern round pendant lights from the Piani Rondo collection. This pendant lamp is offered by Byok in different surfaces: polished aluminum, matt aluminum and black matt. The canopy of the pendant lamp has a diameter of 26 cm at a height of 6.8 cm. The lamp is determinable in height.

The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The dimming range is between 0 and 100 percent. In addition, the lamp is also available on request as a version that can be dimmed by smartphone/tablet via Bluetooth.
