Description

The Anthologie Quartett Cellula Wall Lamp is "the original". Copied often, no copy brings this clarity expressed design. A design classic with very high recognition value. The Cellula Wall Lamp is available in two sizes, with suspended from a stainless steel frame crystal prisms - offered by Anthologie Quartett - in neutral clear.

The smaller version has a length of 20 cm. The larger version is 40 cm long. The Cellula wall lights can be operated with candle lamps with max. 40 watts per socket. The scope of delivery for both lamps includes the spacer ring required for mounting the lamps on masonry.
