Description

The Next Drop 2 small is a drop-shaped pendant lamp made of white polyethylene. It has a height of 47 cm and a diameter of 27 cm. This lamp provides a soft and even light distribution. The Drop 2 small is offered with a cable length of 300 cm or 600 cm. The transparent cable can be shortened if necessary. The supplied canopy enables an easy installation of the lamp. The pendant lamp has an E27 socket that can be operated with replaceable halogen lamps or LED retrofits. This is the smaller of two pendant lights from this series.
