

Ingo Maurer

Oskar

Technical details

Scope of delivery

Germany **Country of Manufacture** Manufacturer Ingo Maurer Designer Ingo Maurer 1998 Year of design protection IP20 LED

material aluminum

surface natural aluminum

cable length 400 cm

switchability at the light body

Wattage 6 W LED inclusive **Colour Rendering Index** >90 Luminous flux in Im 700

Color temperature in Kelvin 2,700 extra warm white

bulb exchange at the manufacturer / at the factory

Dimensions H 33 cm | B 19 cm

Description

The Ingo Maurer Oskar is a multifunctional delicate table lamp. It is playful but highly functional and flexible at the same time. As it is thought to be used to illuminate shelves or to function as a bookend Oskar is constructively and versatile applicable. This lamp is Ingo Maurer's unique interpretation of the classical gooseneck. The lamp body consists of anodised aluminium natural while the gooseneck is made of tough metal. Due to a flexible metal arm it is possible to individually adjust the reflector of the Ingo Maurer Oskar. There is an on/off switch attached to the front of this lamp.
