Technical details

Country of Manufacture	 Italy
Manufacturer	Luceplan
Designer	Paolo Rizzatto
Year of design	2008
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
Projection in cm	203
material	aluminum, polycarbonate, stainless Steel
Height adjustment	height adjustable
dimming	Sensor dimmer on the light head
Base / Socket	E27
Power (max. Watt)	140 Watt
Luminous flux in lm	2,135
Shade diameter	50 cm
Shade height	35 cm
lamp stand dimensions	Length 36, width 36 cm
light distribution	room light
Dimensions	H 217 - 250 cm

Description

The Luceplan Lady Costanza Floor Dimmer can be adjusted with its telescopic rod in height between 217 and 250 cm. It can also be rotated by 360 degrees on the lamp base. The frame has a curved shape. The shade has 50 cm as diameter and is so larger than in the Costanza series, from which this arc light 2008 was further developed.

The handle on the base as well as the lightness of the lamp body make it possible to move the light at any time. The floor lamp can also be placed directly next to a dining table or a couch thanks to a stable base. The sensor dimmer on the lamp head has to be touched only slightly to dim the lamp in three brightness levels. Both the frame and the shade are available in different colours. The frame is available in the colours aluminum or black. The shade is offered in black, primary red, white and shaded stone. Apart from this floor lamp with a dimmer, also a version with a switch is on offer.
