| Dimensions | H 43 cm |

Description

The Foscarini Buds Tavolo 2 is the medium-sized table light in this collection. The oval screen has a diameter of 41.5 cm and emits the light into the room and also indirectly upwards.

The diffuser is made of mouth-blown, 5-layers glass. Two colours for the diffuser are offered: warm white and grey. The cylinder on which the diffuser is placed, is always held in transparent polymethyl methacrylate.

The cable has a length of 180 cm. It was created by Rodolfo Dordoni in 2016.
