Description

The Lumini Bossinha is a smaller version of the Bossa collection. This pendant lamp has an aluminum shade with a diameter of 37 cm and can be manually moved up and down. The lamp distributes direct and indirect light, depending on which shade position is set. The Bossinha is available in these surfaces: gold, silver, graphite gray, medium gray, sand gray, corten brown, sage green, sp blue, pink, matte white or black. The lamp has a maximum power of 150 watts or 105 watts (gold and silver) for an E27 socket. A cable with a length of 500 is on request available.
