Description

The Secto Design Victo 4250 is a pendant lamp for direct lighting. The lamp emits the light mainly directly downwards and also partly into the room through the slats. The lamp shade is made of wood and has a diameter of 56 cm. The height is 48 cm. This pendant lamp has an E27 socket and is operated with an LED retrofit. Its maximum power is 20 watts. The Victo 4250 is available in white laminated, black laminated, natural birch and walnut veneer. The black version has the cable and the canopy in black, the other versions have white cables and canopies.
