

Ingo Maurer

Lucellino NT LED

Technical details

Country of Manufacture	 Germany
Manufacturer	Ingo Maurer
Designer	Ingo Maurer
Year of design	2017
protection	IP20
Scope of delivery	LED
material	brass, glass, Goose-feather wings
dimming	on site dimmable with a trailing edge dimmer
socket/light fixture	E27
Wattage	5 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	380
Color temperature in Kelvin	Dim to warm
bulb exchange	on site itself
Wall mount dimensions	15 cm

Description

The Ingo Maurer Lucellino NT LED can be used as a wall or ceiling lamp. It is delivered with a surface mounting box and a 15 cm diameter white cover. The power cable is sheathed in red. The lamp arm of the light can be bent at will. Handcrafted wings made of goose feathers are attached to the bulb socket. These wings represent the hallmark of the well-known Lucellino light series. The name of the lamp consists of a play of words: "Luce" means in Italian "light", "uccellino" as much as "birdie". The included light source is an LED with 5 watt. This light can be dimmed on site. In the wall or ceiling mounting, a transformer is integrated.
