<b>protection</b>	IP20
<b>Scope of delivery</b>	Leuchtmittel/Bulb
<b>Projection in cm</b>	80
<b>material</b>	metal, rubber
<b>cable length</b>	300 cm
<b>height adjustment</b>	height determinable
<b>socket/light fixture</b>	GU5.3
<b>Power (max. Watt)</b>	50 Watt
<b>Dimensions</b>	H max. 80 cm

### Description

The Ingo Maurer Mozzkito is a table lamp with a projection of 80 cm. Depending on how the movable lamp base is aligned, the inclination of the lamp can be set differently. As a result, the height of the table lamp varies to a maximum of 80 cm. In addition, the reflector of the lamp can be variably adjusted. As a light source, a halogen cold light reflector or a suitable LED can be used. The cable has a length of 300 cm. The 230Volt table lamp is infinitely dimmable with a slide control. The 125Volt lamp can only be switched via a switch on the supply line.
