Description

The Catellani & Smith Macchina della Luce mod. I is a pendant lamp with three superimposed discs made of aluminum. The top disc with 80 cm in diameter is the largest one. The medium-sized disc has a diameter of 50 cm, the lowest one a diameter of 30 cm. All three discs are coated with a smooth foil, available in the surfaces of gold leaf, silver leaf and copper. The discs of the pendant lamp are mounted on metal rods with a maximum length of 145 cm, which can be shortened if necessary. On request, the rods are also offered with a maximum length of 300 cm. For the two versions gold leaf and copper, the rods are made of brass, in the version with silver leaf discs they are nickelplated. The lowest two discs containing as light sources LED boards. The lamp is on site dimmable and has a total power of 5 x 6 watts.
