Original 1227 Mini Lamp with Desk Clamp

Oberfläche

- black
- grey
- white

Technical details

Country of Manufacture	 United Kingdom
Manufacturer	Anglepoise
Designer	George Carwardine
Year of design	2015
protection	IP20
Scope of delivery	LED
Projection in cm	56
material	cast Iron, steel, Textile
cable length	180 cm
socket/light fixture	E14
switchability	on the lead
Power (max. Watt)	15 Watt
LED	inclusive
Shade diameter	13 cm
Shade height	14 cm
bulb exchange	on site itself
Dimensions	H 42 cm

Description

The Anglepoise Original 1227 Mini Lamp with Desk Lamp can be mounted on tables or shelves with a thickness of 1 cm to 6 cm. With its movable articulated arm, the clamp lamp can be repositioned again and again. The lamp head can be individually tilted and rotated. The addition of a neat cable clamp means that it is possible to attach the 180 cm long cable to the articulated arm exactly where it is needed using the on/off switch. This lamp also uses as with other Anglepoise lamps the proven constant tension spring technology developed by industrial designer George Carwardine especially for the British manufacturer. Thanks to this tension spring technology, the clamp lamp remains in any set position.

The Original 1227 Mini Lamp with Desk Lamp is available in the surfaces jet black, linen white and dove grey. Lamp shade, articulated arm and clamp are each in the selected surface. The lamp shade has a diameter of 13 cm and a height of 14 cm. It is made of steel and all versions are glossy lacquered. The clamp is made of cast iron, the adjustable articulated arm is made of aluminum. LED retrofit or compact fluorescent lamps are suitable as light sources. A table base in the matching surface is included in the scope of delivery.
