Anglepoise
Type 75 Lamp with Desk Clamp

Oberfläche

- black
- grey
- silver
- white

Technical details

Country of Manufacture	🇬🇧 United Kingdom
Manufacturer	Anglepoise
Designer	Kenneth Grange
Year of design	2004
protection	IP20
Scope of delivery	LED 230 Volt
Projection in cm	71
material	aluminum
cable length	250 cm
socket/light fixture	E27
switchability	on the light head
Power (max. Watt)	20 Watt
LED	inclusive
Shade diameter	15 cm
Shade height	19 cm
bulb exchange	on site itself
Dimensions	H 52 cm

Description

The Anglepoise Type 75 Lamp with Desk Clamp can be attached to all horizontal surfaces with a thickness of 0.7 cm to 6 cm. This clamp light has movable lamp arms, which can be readjusted at any time by the use of tension spring technology. This technology also ensures that the arms remain in any position. Like the arms, the lamp shade is made of aluminum and can be swivelled as well as rotated. The clamp lamp is available in silver lustre, alpine white, slate grey and jet black. It is regulated with an on/off switch on the lamp shade. Compact fluorescent lamps or LED retrofit are suitable as light sources. A table base in the matching surface is included in the scope of delivery.
