Wireflow 0404 - 0405 - 0406 - 0407 - 0408

Version

- 0404
- 0405
- 0406
- 0407
- 0408

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Arik Levy
Year of design	2016
Protection class / IP rating	IP20
Contents of the package material	LED
Height adjustment	aluminum, stainless Steel, steel
dimming	height determinable
LED	DALI dimmable
Colour Rendering Index	inclusive
Luminous flux in lm	>90
Color temperature in Kelvin	2,910
canopy dimensions	2,700 extra warm white
system performance	39 cm
	6 x 4.5 Watts

Description

This Vibia Wireflow, designed by Arik Levy, reinterprets the aesthetics of a chandelier. The pendant lamp is stylishly modern reduced to the essentials and at the same time a strong, present form. Its filigree appearance is reminiscent of classic models of chandeliers, but leads into a new and innovative dimension. This is a pendant lamp without glass diffusers. It can be dimmed on site and is height-determinable.

It is offered in 5 sizes:

- Version 0408: length 46 cm, width 40 cm, total length 100 - 200 cm
- Version 0407: length 58 cm, width 50 cm, total length 110 - 200 cm
- Version 0406: length 81 cm, width 70 cm, total length 160 - 250 cm
- Version 0405: length 104 cm, width 90 cm, total length 190 - 250 cm
- Version 0404: length 127 cm, width 110 cm, total length 210 - 250 cm
