Description

The Vibia Structural 2617 is a wall lamp with cubic shapes that combines direct and indirect light. The wall lights from this series can be used to create sculptures that fit perfectly into any architecture. The Structural 2617 is available in dark grey and light grey as surfaces. The surfaces are matt lacquered. On request, this wall lamp is also available with a colour temperature of 4,000 Kelvin white. On request, there are also offered versions that can be dimmed with DALI or that can also be dimmed via Smartphone App with an optional Casambi module. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the lamp on at specific times via a timer.
