

Vibia

Structural 2645

Oberfläche

- dark grey
- light grey

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Arik Levy
Year of design	2018
protection	IP20
Scope of delivery	LED
material	aluminum, polycarbonate
dimming	1-10V dimmable
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	7,720
Color temperature in Kelvin	3,000 warm white
system performance	1 x 9 + 1 x 15 + 1 x 30 Watt
Dimensions	H 21 cm B 120 cm L 120 cm

Description

The Vibia Structural 2645 is a ceiling light that consists of two crossed light rods and three differently sized lights. All three lamps emit their light directly downwards. This ceiling lamp is available in light grey and dark grey surfaces. Both versions are matt lacquered. The Structural 2645 has a colour temperature of 3,000 Kelvin warm white as standard and can be dimmed on site with 1-10 volts. The lamp is also available on request with a colour temperature of 4,000 Kelvin white. DALI dimmable versions are also optionally available on request, or versions that can also be dimmed with an optional Casambi module via Smartphone App. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
