## Palma 3726

### Oberfläche

- graphite-grey
- white

### Technical details

<b>Country of Manufacture</b>	 Spain
<b>Manufacturer</b>	Vibia
<b>Designer</b>	Antoni Arola
<b>Year of design</b>	2018
<b>protection</b>	IP20
<b>Scope of delivery</b>	LED
<b>Diameter in cm</b>	22
<b>material</b>	aluminum, glass
<b>height adjustment</b>	height determinable
<b>dimming</b>	1-10V dimmable
<b>LED</b>	inclusive
<b>Colour Rendering Index</b>	>90
<b>Color temperature in Kelvin</b>	2,700 extra warm white
<b>canopy dimensions</b>	25 cm
<b>system performance</b>	4 x 4.6 Watt
<b>Total luminous flux in lm</b>	1,736
<b>total height</b>	250 cm
<b>Dimensions</b>	Ø 22 cm

### Description

The Vibia Palma 3726 pendant lamp consists of two suspended diffusers. The diffusers are made of mouth-blown glass and provide glare-free ambient light. The lamp is available in graphite-grey and is matt lacquered. Four LEDs with a colour temperature of 2,700 Kelvin extra warm white are included as illuminants. On request, the light is also supplied with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. The suspension cables can be shortened if required, and the lamp is also available with a special cable length on request. On request, the Palma 3726 is also offered as a DALI dimmable version or as a version that can also be dimmed via a smartphone app with an optionally available Casambi module. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
