Technical details

Country of Manufacture	 Spain
Manufacturer	Marset
Designer	Joan Gaspar
Designer 2	Javier M. Borrás
Year of design	2005
protection	IP20
Scope of delivery	LED 230 Volt
Diameter in cm	44
material	cotton, glass
cable color	black
cable length	200 cm
height adjustment	height determinable
dimming	dimnable on site
socket/light fixture	E27
LED	inclusive
canopy dimensions	11 cm
bulb exchange	on site itself
system performance	2 x 8 Watt
light distribution	room light
Dimensions	H 29 cm Ø 44 cm

Description

The Marset Mercer 44 pendant lamp has a diameter of 44 cm and a height of 29 cm. It consists of a transparent, mouth-blown glass cylinder in which a textile shade made of cotton is integrated. The inner textile shade is available in natural cotton ribbon and pearl white. The light is emitted from this lamp glare-free to the sides and upwards as well as downwards. On the bottom side of the lamp there is an opal diffuser which reduces glare from the downward directed light. The cables with a maximum length of 200 cm can be shortened if required. Suitable light sources for the Mercer 44 pendant lamp are LED retrofit lamps.
