<b>Color temperature in Kelvin</b>	2,700 extra warm white
<b>Dimensions</b>	Ø 16 cm

### Description

The Marset Plaff-on! 16 is a wall and ceiling lamp with a diameter of 16 cm. It consists of a lacquered aluminum ring around a mouth blown opal glass diffuser. Most of the light is emitted directly downwards or to the front. The ring around the diffuser filters the light upwards to create a halo on the wall or ceiling. The Plaff-on! 16 is offered in black and rust brown. The wall and ceiling lamp Plaff-on! 16 is operated with an integrated LED and can be dimmed on site. The lamp has IP65 protection and is therefore suitable as an outdoor lamp. It is dust-tight and protected against strong jets of water. A signage with lettering is available on request, e.g. for house number lettering.
