| Version | - |
| bulb exchange | on site itself |
| light distribution | room light |
| Dimensions | H 30 cm Ø 10 cm |

Description

The Oluce Niwa 1182 is a pendant lamp, which is also suitable as an outdoor lamp. With protection class IP44, it is protected against splash water on all sides as well as against foreign bodies with a diameter of 1 mm or more. The lamp is supplied with a 1 m long mains cable, which can be used for many purposes. It can, for example, be wrapped around a tree branch or laid over the lawn. The pendant lamp consists of a beige-grey lamp body made of aluminum and a diffuser made of transparent, mouth-blown glass. The light is emitted evenly and glare-free by the lamp. The Niwa 1182 is operated with an LED retrofit lamp with a maximum output of 15 watts. Its lamp body is 30 cm high and has a diameter of 10 cm.
