## Description

The Decor Walther Cut 18 ceiling lamp emits direct light. A diffuser made of glossy white opal glass ensures that the light emitted is glare-free and distributes it evenly downwards. The lamp is made of metal and has a length and a width of 18 cm each. The ceiling lamp is 7 cm high and is offered in chrome or satin nickel finish. The LED lamp has an integrated LED with a colour temperature of 3,000 Kelvin warm white and can be dimmed on site with a trailing edge phase dimmer. Thanks to the IP44 degree of protection, this ceiling light can also be used as a bathroom light.
