## Description

The Decor Walther Box 40 N LED wall lamp is rectangular with a length of 40 cm and a height of 5 cm. Its depth is 10 cm. Through a diffuser of white matt acrylic glass, the light is glare-free and evenly scattered. The wall lamp emits its light both upwards and downwards. The lamp is available in white matt, black matt, gold matt, gold (glossy), rose gold, chrome and satin nickel surfaces. With IP44 protection, the Box 40 N LED is also suitable for bathrooms, as it is protected against splash water on all sides and solid foreign bodies with a diameter of at least 1 mm. The wall lamp is operated with an integrated LED, which can be dimmed on site with a trailing edge phase dimmer. The LED is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The lamp with a colour temperature of 2,700 Kelvin extra warm white is also available in dark bronze on request. In addition to the LED version, a R7s halogen version of the lamp is also on offer.
