<b>Power (max. Watt)</b>	15 Watt
<b>Lamp included</b>	no
<b>Dimensions</b>	B 4 cm

### Description

The Decor Walther Omega 20 wall lamp consists of two bases as lamp bodies. Each of these bases has a width of 4 cm, a length of 6.5 cm and a depth of 4.5 cm. The illuminant is mounted with each of its ends in one of these bases. Either a rod-shaped LED illuminant with a length of 50 cm and a power of 7 Watt or with 100 cm length and 15 Watt can be used. The length of the illuminant therefore also determines the total length of the lamp. The Omega 20 can be installed both horizontally and vertically. This wall lamp is available with bases in chrome, satin nickel and matt black. **The light source is exclusive.**
