### Description

The Vistosi Bot SP 16 is a pendant lamp with a lamp shade made of white, mouth-blown crystal glass. Its shade is 15 cm high and has a diameter of 16 cm. The light is emitted from this lamp both directly downwards and glare-free into the room. The Bot SP 16 pendant light has a G9 socket and is operated with halogen lamps. The cable with a maximum length of 200 cm can be shortened if required. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
