Description

The Holtkötter 2541 40 cm floor lamp can be adjusted from 124 cm to 165 cm in height. The lamp arm has two joints and can therefore be adjusted flexibly. The lamp shade is made of high-quality Chintz fabric and has a diameter of 40 cm and a height of 21 cm. The floor lamp is offered in the shade colours champagne, sand and white. The floor lamp emits its light downwards and diffusely into the room through the shade. Part of the light is also emitted upwards. The surfaces nickel matt, brass antique and brass polished-matt are available for the light rod and base. For the brass polished-matt brass version, part of the surface is polished brass and part is matt brass. The 2541 floor lamp is regulated by a pull switch. It can be operated with halogen lamps or LED retrofit lamps. In addition to this lamp with a shade diameter of 40 cm, a version with 50 cm is also available.
