

Bover

Siam 200 - 72cm

Schirmfarbe

- cream
- white

Technical details

Country of Manufacture	Spain
Manufacturer	Bover
Designer	Joana Bover
Year of design	2010
protection	IP20
Scope of delivery	Leuchtmittel/ Bulb
Diameter in cm	200
material	Iron, methacrylate, stainless Steel
dimming	dimmable on site
socket/light fixture	E27
canopy dimensions	20 cm
Shade height	35 cm
system performance	8 x 15 Watt (max.)
Dimensions	H 72 cm Ø 200 cm

Description

The Siam 200 is manufactured by the Spanish company Bover and is based on a design by Joana Bover. The ceiling bracket of the Bover Siam 200 is made of metal and is available with a nickel surface. The light of this ceiling lamp is emitted centrally directly downwards and spreads simultaneously all around to the sides and to the ceiling. The Bover Siam 200 has a diameter of 200 cm, the total height of this ceiling lamp is 72 cm. The light's small distance of only 37 cm from the ceiling creates a radiant circle of light on the ceiling. This lamp with a lamp shade height of 35 cm is available in the shade colours white and cream. The Bover Siam 200 has eight E27 sockets and can be operated with LED retrofit lamps. This on-site dimmable lamp is the bigger of two versions of the Bover Siam 200. With its light distribution and size, the ceiling light is particularly suitable for large rooms.
