## **Description**

The Cini & Nils Passepartout 55 pendant lamp radiates its light simultaneously upwards and downwards. A lens focuses the light in both directions. This lamp has a diameter of 55 cm and a height of 3.2 cm. The pendant lamp consists of an outer and an inner ring. The outer ring is made of high-quality metal and is available in white matt, black matt, chrome polished, gold polished, silver matt and gold matt versions. The inner ring is always made of mirror polished stainless steel. The Passepartout 55 pendant light of Cini & Nils can be dimmed on site with a trailing edge phase dimmer. On request, this lamp is also offered with an integrated Casambi module. The optionally available lamp with Casambi module can be dimmed with the Casambi App via Bluetooth by Smartphone / Tablet. The overall height is a maximum of 250 cm, the cables can be shortened if required.
