### Description

This Brokis Knot Small Sfera pendant lamp has a smoke grey mouth-blown glass. This lamp is 30 cm in diameter and 30 cm high. A handmade metal reflector is integrated top of the glass. The reflector is available in black matt, brass, stainless steel brushed and copper. The canopy has the same colour as the reflector. A special feature of the Knot lamps from Brokis is the cable which runs through the glass and ends in a knot at the lower end of the lamps. On request, the Knot Small Sfera smoke grey is available as not dimmable version. It is also offered with transparent, smoke brown or opaline glass. A larger version of the lamp is additionally available.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
