Description

The Foscarini Rituals Terra 1 floor lamp has a mouth-blown, satinised glass. The glass is engraved in a complex process with regular grooves, which create light reflections on the glass when the lamp is switched on. Through the glass the light is emitted glare-free in all directions. The Rituals Terra 1 is 159 cm high and is available in white, graphite and gold. The lamp base and lamp rod always have the matching surface. The glass of the lamp is 34 cm high and has a diameter of 24 cm. The floor lamp can be regulated via a dimmer on the supply line. The lamp has an E27 socket, which can be operated with halogen lamps, LEDs or compact fluorescent lamps.
