Description

The Knapstein ILSA-S is a floor lamp with a rotating and tilting lamp head. Two swivel joints are integrated on the lamp rod, with which the lamp arm can be adjusted as desired. When the lamp arm is at its widest, the lamp has a maximum projection of 68 cm. The floor lamp can be switched and infinitely dimmed via gesture control. The sensor for gesture control is located at the head of the lamp. The ILSA-S is available in matt brass and matt nickel.
