Technical details

Country of Manufacture Denmark

Manufacturer Loom Design

protection IP65
Scope of delivery LED
Diameter in cm 11

material aluminum, crystal glass

beam angle 110 degrees

dimming on site dimmable with a trailing edge dimmer

6 W

LED inclusive
Luminous flux in Im 402

Color temperature in

Wattage

Kelvin 2,700 extra warm white

Dimensions H 4 cm | Ø 11 cm

Description

The Loom Design Sif ceiling light is also suitable as an outdoor or bathroom light. With IP65 protection, it is dustproof and protected against water jets from any angle. A lens made of crystal glass focuses the emitted light and emits it directly downwards. This creates a wide cone of light onto the wall behind the ceiling lamp. The integrated LED has a beam angle of 110 degrees and a colour temperature of 2,700 Kelvin extra warm white. The Sif is 3.6 cm high and has a diameter of 10.7 cm. It is made of die-cast aluminum and aluminum profiles. The surfaces black or white are available.
