Description

This Bomma Soap chandelier consists of two Soap Large and three Small pendant lamps on a round canopy. The glass colour is the same for all lamps. The following glass colours are offered: gold, silver, blue, matt and clear. The white coated canopy has a diameter of 56 cm and a height of 6.2 cm. Each glass is made of crystal glass and is unique, as it is mouth-blown without a mould. This means that the shape, size and colour intensity can vary. The lamps glitter and shimmer especially when switched on. Each lamp has an E27 socket that is operated with an LED retrofit.

With this Soap chandelier, the cables have a maximum length of 250 cm and can be shortened if necessary. On request, up to eleven Soap Small and / or Large lamps are also available in any glass colour together with a canopy.
