

Bomma

Orbital Pendant

Glasfarbe

- pink
- clear
- black
- white

Version

- gold
- silver

Technical details

Country of Manufacture	 Czechia
Manufacturer	Bomma
Designer	Studio deFORM
protection	IP20
Scope of delivery	LED 230 Volt
Diameter in cm	36
material	crystal glass, stainless Steel, Textile
cable color	black
cable length	250 cm
height adjustment	height determinable
dimming	dimmable on site
socket/light fixture	E27
Power (max. Watt)	6 Watt
LED	inclusive
canopy dimensions	14 cm
bulb exchange	on site itself
Dimensions	B 25 cm Ø 36 cm

Description

The Bomma Orbital Pendant has the shape of a yoyo, consisting of two outer glasses and a ring-shaped middle part made of stainless steel. These two glasses are made individually from mouth-blown crystal glass. Any small bubbles or irregularities in the glass are a characteristic feature of the traditional, handcrafted production of mouth-blown glass. During the manufacturing process, clear crystal glass is mixed with coloured glass. Each glass is unique, so the hue and intensity of colour can vary.

The Orbital Pendant is always clear on one side, the glass on the other side is offered in the colours polaris white, mercury black, venus pink, pluto green and clear. The ring-shaped middle part of the pendant lamp is available in silver or gold patinated versions. The canopy has the same colour as the middle part. The cables, each with a maximum length of 250 cm, can be shortened if required. On request, the lamp is also available with other cable lengths. The E27 socket of the lamp can be operated with a replaceable Globe LED retrofit.
