

Bomma

Pebbles Pendant Large

Configuration 1-2

Version

- green
- red

Technical details

Country of Manufacture	 Czechia
Manufacturer	Bomma
Designer	Boris Klimek
protection	IP20
Scope of delivery	LED
Diameter in cm	30
material	crystal glass, metal, Textile
cable color	black
cable length	250 cm
height adjustment	height determinable
dimming	on site dimmable with a trailing edge dimmer
Wattage	25.5 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	3,800
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	27 cm
Dimensions	H 118 cm Ø 30 cm

Description

The Bomma Pebbles Pendant Large consists of four differently shaped glasses. In this pendant lamp, three of the four glasses are always in the same colour combination. The third glass from the top is offered in the versions red or green. The other glasses have for both versions these colours:

- the top glass is light grey
- the second from the top is black
- the lowest glass is white.

If desired, the four glasses of the lamp can also be arranged in any other order. Each glass is individually made from mouth-blown crystal glass. Any small bubbles or irregularities in the glass may occur during the traditional, handcrafted glassblowing process. During the production process, clear crystal glass is mixed with coloured glass to ensure that the glass colour is particularly durable. As each glass is individually hand-worked, the colour intensity and shade may vary.

The suspension of the pendant lamp is in black matt powdered metal. The cable with a maximum length of 250 cm can be shortened if necessary. On request, the Pebbles Pendant Large is also available with other cable lengths. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as illuminant. The Bomma pendant lamp is available in other colour and shape combinations of the glasses. A lamp with any combination can also be put together on request.
